

## **Safeguarding**

As a Partnership of public services that support volunteering we take safeguarding extremely seriously. Whether you volunteer for the Lancashire Volunteer Partnership or are someone who has come into contact with one of our volunteers we want to hear if something has gone wrong or if you want to report something that causes you concern.

There are a number of ways in which your voice can be heard so that we can keep people safe and ensure our quality of service remains high.

Safeguarding reporting channels;
